

★ "If you want your children to be intelligent, read them fairytales.
If you want them to be more intelligent read them more fairytales." ★
- Albert Einstein

Dear Friend,

I can't think of a better quote to open with. Storybook Island is all about fairytales. Helping families create more intelligent children, all the better! and I believe that.

Storybook Island needs your help to achieve our goal for this year. **Please**, become a sponsor today.

It's very easy to do, just fill out the enclosed form and check the category you want. You will receive a great return on both your advertising dollar and the satisfaction of knowing, you are helping to keep Storybook Island "the place where magic happens".

You may have grown up at Storybook Island. Your children or grandchildren may very well come to the park on a regular basis in the summer. Many families in Rapid City and the surrounding communities need Storybook Island. Thousands of tourists each year come as well. We are one of a few, free admission attractions in the Black Hills.

Storybook Island needs people who care. People who are willing to keep the lessons of fairytales alive and children learning. We need you!

Maintaining Storybook Island costs \$550,00+ annually. Many think the park is funded by the city, it is not. Storybook Island must raise the money needed to keep the park in operation. Storybook Island leases the land from the city and takes care of maintenance and operating costs like any business must. Storybook Island employs 40+ young people during the summer months and 4 fulltime employees. As a small business, we too, pay state, use and city taxes.

What's in it for you; It's a great way to show your commitment for children/families, the community and traditions. You are always welcome as a sponsor, to join us in the park during the summer to highlight your business even more, just call and ask us how. Your business will be recognized on our Sponsor wall in the park, on our website and through social media. Sponsoring the park is wonderful publicity for your place of business. Your donations is also 100% tax deductible.

Please help us make our sponsorship goal of \$100,00 this year.

Most Sincerely,

Connie LeZotte
